Regular Agenda

Agenda Item 1. Sgt. Kyle Percifield reviewed the Sarpy County Sheriff's report. Sgt. Percifield noted that the report shows a large number in "Community Oriented Police." This number represents when they are patrolling in Springfield, not initiated by a call to the department. Sgt. Percifield stated that parking had the highest number of complaints in August. He further noted that there were a few vehicle accidents on Hwy 50. Sgt. Percifield reported that they have received a high number of calls regarding e-bikes/scooters, and at this time there hasn't been a big problem, mostly used as educating the rider. Kathleen Gottsch, City Administrator, reported that Metro Area Planning Agency (MAPA) is working on guidelines for e-bikes/scooters.

Agenda Item 2. Gottsch reported that all required forms have been received from Eric Falk. Motion by Neitzel, seconded by Murtha, to approve the street closure request from Erik Falk, 205 S 1st Street, on Saturday, September 12, 2026, from 10:00 a.m. to 5:00 p.m., on 1st Street from Main to Vine Streets for a Show & Shine Care Show. AYES: Neitzel, Murtha, Liebenritt. NAYS: None. ABSENT: Herzog. Motion carried.

Agenda Item 3. Motion by Murtha, seconded by Neitzel, to waive the community building rental fee for the Springfield Community Foundation to hold a community flu shot clinic on Sunday, October 4, 2026, from 11:00 a.m. to 5:00 p.m. AYES: Neitzel, Murtha, Liebentritt. NAYS: None. ABSENT: Herzog. Motion carried.

Agenda Item 4. Gottsch reviewed the Village on Main LLC project, reporting that the Planning Commission reviewed the preliminary plat in December 2025, and recommended approval. City Council approved the preliminary plat in January 2026 as well as the zone change to Mixed Use (MU) contingent upon approval of the final plat. This site is located within the Sarpy County and Cities Wastewater Agency (SCCWWA) Phase 1B service area and the Urban Reserve Zone (URZ). Village on Main proposes to advance the construction of a portion of the SCCWWA Phase 1B infrastructure to include approximately 1,465 linear feet of sewer trunk main and seven manholes. The developer would also construct a temporary infrastructure that will discharge into the City of Springfield's sanitary sewer collection system until the time when SCCWWA's full Phase 1B infrastructure is completed. Village on Main LLC has requested reimbursement from the City of Springfield for the portion of SCCWWA infrastructure constructed by the developer that is identified in the SCCWWA Amended Master Plan. Any reimbursement would be provided from funds remitted by SCCWWA to the City of Springfield and would be administered in accordance with any financial policies adopted by the SCCWWA Board regarding revenue sharing or reimbursement of costs associated with the pioneering or advancement of regional agency infrastructure. This application is consistent with the approved preliminary plat, the city's comprehensive planning documents, and the objectives for development within the UDZ. The proposed sanitary sewer improvements advance critical regional infrastructure identified in the SCCWWA Master Plan and will support future growth within the Springfield Creek service area. A portion of the payment would be due at final plat and the balance as permit applications are submitted and issued. Motion by Murtha, seconded by Neitzel, to approve the SCCWWA Growth Management Plan Boundary Adjustment Request Application for Lots 1-130 and Outlots A-K, Village on Main. AYES: Neitzel, Murtha, Liebentritt, NAYS: None. ABSENT: Herzog. Motion carried.

Agenda Item 5. Gottsch reviewed the Scannell Properties #829 LLC final plat application submitted for Springfield Gateway Park project, reporting that the Planning Commission reviewed the preliminary plan in April 2026, and recommended approval. City Council approved the preliminary plan in May 2026, as well as the zone change from Agricultural Residential (AR) to Business Park (BP) contingent upon approval of the final plat. The Springfield Gateway Park development encompasses approximately 72.27 acres. Of this total, approximately 63.27 acres are located within SCCWWA's Phase 1A Service Area and the Urban Development Zone, while the remaining 9 acres are located within the Phase 1B Service Area and the Urban Reserve Zone. To serve the proposed development, Scannell Properties #829, LLC proposes the construction of a localized outfall sewer extension that will serve Lots 1-3 and Outlot A and extend south to the property located at 14006 Fairview Road, commonly referred to as the Schuessler Farm. This sewer extension will further support planned urban development directly adjacent to the city's corporate limits. The Schuessler Farm contains 149.27 acres, including approximately 126.27 acres located within SCCWWA's Phase 1A Service Area and Urban Development Zone and approximately 23 acres located within the Phase 1B Service Area and Urban Reserve Zone. Because the proposed sewer extension will traverse and ultimately serve both Springfield Gateway Park and the Schuessler Farm, the project will facilitate the orderly extension of sanitary sewer service to properties identified for future urban development. In order to

align SCCWWA's service area and growth management boundaries with the planned development pattern and future sanitary sewer service needs of the area, the city requests that SCCWWA: (1) include Lots 1-3 and Outlot A, Springfield Gateway Park, and the Schuessler Farm within the Phase 1A Service Area; and (2) designate Lots 1-3 and Outlot A, Springfield Gateway Park, and the Schuessler Farm as part of the Urban Development Zone. Motion by Neitzel, seconded by Murtha, to approve the SCCWWA Growth Management Plan Boundary Adjustment Request Application for Lots 1-3 and Outlot A, Springfield Gateway Park and 14006 Fairview Road, Schuessler Farm. AYES: Neitzel, Murtha, Liebentritt. NAYS: None. ABSENT: Herzog. Motion carried.

Agenda Item 6. Council Member Murtha introduced Resolution 2026-29 and moved its adoption. Council Member Liebentritt seconded the forgoing motion and on roll call on the passage and adoption of said resolution, the following voted AYE: Neitzel, Murtha, Liebentritt. The following voted NAY: None. The following were ABSENT: Herzog. Whereupon the Mayor declared said motion carried and said resolution passed and adopted.
