No-Rise Certification attached (Floodway Development only) _____Yes _____No

City of Springfield Decision Letter attached _____Yes _____No

This permit is issued with the condition that the lowest floor (including basement floor) of any new or substantially improved residential building will be elevated at least one foot above the base flood elevation. If the proposed development is a nonresidential building, this permit is issued with the condition that the lowest floor (including basement) of a new or substantially improved non residential building will be elevated or floodproofed at least one foot above the base flood elevation. The Developer/Owner shall provide certification by a registered Engineer, Architect, or Land Surveyor of the "as built" lowest floor elevation (including basement) or floodproofed elevation of any new or substantially improved building covered by this permit.

I CERTIFY THAT THE ABOVE INFORMATION IS CORRECT AND ALL PROVISIONS OF THE CITY OF SPRINGFIELD FLOODPLAIN MANAGEMENT REGULATIONS SHALL BE COMPLIED WITH.
